Mr. Snyder—just at work.

caduceus dedicated to mr. levy

In appreciation for his service to Chico High School, we dedicate the 1972 Caduceus to Mr. Levy

Mr. Levy retired after being in business for himself in Chico for 14 years at Chico Linoleum and Tile Company.

Mr. Levy came to Chico High School in the fall of 1968 as a volunteer. He donates at least three hours every day to the English Department typing up most of the work sheets, creative writing assignments, and lesson plans. He sometimes justifies columns for the newspaper. He is also a great authority with a dictionary.

In the office, Mr. Levy assists students in using office machines. He also does minor repairs on office equipment. We really appreciate everything Mr. Levy does for us. He dispenses equal love and justice to all.

Mr. Alexander assumes his duties as second in command at Chico Senior High with dignity and efficiency. As Vice-Principal, he is in charge of the difficult task of student discipline and counseling. He often serves as chairman for faculty meetings.

Mr. Alexander solves another problem

Pausing for a moment's rest.

Mr. Barris & Mr. Bader discuss some tactics of our rivals

Mrs. Priel works with students every day, helping them to keep club and organization business in order. Her patience and understanding are appreciated by everyone.

Mrs. Priel, secretary of Student Activities makes it through another hectic day

Mr. Barris has arranged many an activity this year. Without his help and advice our calendar of events would have never got started. You can often find him in his office long after working hours planning for tomorrow's activities.

Sophomore class officers: President John Zicker; Vice-President, Karr Smal; Secretary Vickie Lydon; Treasurer Diane Deurlou

Sophomore president, John Zicker is right on top of things, with class officers right at hand. This year's sophomore class has taken part in quite a few school activities, showing school spirit. So from what spirit and participation the sophomores have shown they will and are a great tribute to "CSHS"

CLUBS

BIG SISTERS observe the choir concert on Back-to-School Night

Student Involvement Committee is a new club this year. It was formed for those who enjoy talking about school, local, and national topics of interest. Another new club formed this year is the Black Student Union. This club is open to any interested CHS student. The Pep Band "does their thing" at CHS games. FFA, FHA, and Para-Medical Careers prepare for the future, while CSF sticks with the present. The Thespians, Chess, Art, Spanish, French, VICA, and AFS clubs are clubs for people who are interested in the different arts. Big Sisters is a Senior girls club that aids students throughout the year. In order to enter Block "C", you must gain either one varsity Block "C" or two J.V. Block "C"'s in any sport.

BLOCK "C" discusses the latest events at one of their bi-monthly meetings.

The incomparable Drama I!

Drama got off to a good start this year by presenting to the public two one-act plays! The play "A Portrait of Nelson Holiday Jr.", performed by Drama I, was well received by approximately 250 to 300 people. This play was a comedy about the day in the life of a simple 16 year old school boy. The play, "Dope", also presented in February by Drama II and III was a hard hitting drama about city life and drug addiction. It outlined the movements and feelings of living in a big city.

Both Drama classes worked on 15 plays throughout the year. Among these were "Charlie Brown's Easter", "Ode to Apathy", both original productions! Drama advisor this year was Mr. Charles Smith. Our thanks to him and the Drama classes for an exciting and interesting year of Drama!
